										Billboards

The purchase cost is multiplied by the Percent Good for the year aquired to arrive at a calculated value within that properties category.

HISTORICAL COST x % GOOD = MARKET VALUE ESTIMATE

NOTE: This schedule is for information purposes only and is subject to change with or without notice. This schedule is not to be relied on for valuation purposes, but only to estimate possible values of the types of equipment set out herein. This schedule in no way binds or obligates the Bandera Central Appraisal District to any current or future values calculated through the use of the schedule. By providing this schedule, Bandera Central Appraisal District in no way warrants its accuracy or agrees that this is the the schedule that they have used, are using, or will use in the valuation of specific properties. Reliance or use of this schedule for any purpose other than the estimate of the possible value of applicable properties is expressly prohibited.
